

Engineering

9/10 Engineering spent a double lesson testing the CO2 Dragsters that they researched, designed, developed, produced and painted. They had a wonderful time seeing whose dragster was the fastest.

Students learnt about the design process as well as mechanical principles such as mass, force, acceleration and aerodynamics.

Ayden Thorn was the most successful, with the fastest dragster. The next challenge will be to see if their dragsters are faster than Year 8.

Peter Glyde
TAS Teacher

Important Dates

16-27 May

- Years 7 & 8 360° interviews

20 May

- Zone Cross Country, moved to Grafton Showground

23 May

Tuesday 31 May	Canteen closed
Wednesday 1 June	Canteen closed
Thursday 2 June	Steffi Eppler
Friday 3 June	Robin Burley

Students are reminded to order their lunch at the office before school or the canteen at recess

Principal's Message

It has been a very busy and productive term to date. Our students in Years 7 and 9 successfully completed their NAPLAN tests last week. I want to commend our students on the diligence and commitment with which they applied to the tests. I would also like to acknowledge and thank Kay Atkins, our Learning and Support Teacher for organising and administering the NAPLAN tests with the support of our wonderful teaching staff, and providing ongoing support to students throughout the testing process.

I would like to thank parents and carers for their attendance on parent teacher night, and at the 360 interviews. These events provide a valuable opportunity for feedback and reflection on teaching and learning at Dorrigo High School. Congratulations to students in Years 7 and 8 for leading their 360 interviews with confidence and sharing what they know, can do, and need to know with their parents and carers.

As you would now be aware, Ms Hutton has been appointed as Principal at Coffs Harbour Senior College. On behalf of our school community, I want to extend my congratulations to Ms Hutton and thank her for her service to, and leadership of, Dorrigo High School. Ms Hutton made a profound difference to the lives of our students and staff through her leadership of teaching and learning, her ability to inspire and develop others and engage and work with the community. We wish her every success in her new role.

Ms Marden

Message to the Dorrigo High School Community

As you will be aware I have been appointed as principal to the Coffs Harbour Senior College. I am leaving Dorrigo High with a tinge of sadness as I have enjoyed being part of this learning community. I have been fortunate enough to see so many student successes in a great range of subjects over the last five years. There has been so much growth achieved. I have enjoyed doing my learning walks throughout the school and seeing how engaged students have been. It has been great to hear of the successes achieved by students after they have left, whether it be completing a university course which has led to gaining new jobs to those who have completed TAFE trade qualification or to those who are pursuing jobs in areas that interest them. From engineers, scientists, teachers and nurses to builders, plumbers, and welders, to agriculture workers, chefs, and business owners just to name a few. Their stories reflect the opportunities presented at DHS.

I have also seen the student body come together to help and support one another and the whole school community during difficult times. Your generosity, compassion, and your desire to help the community is a great strength that you have all shown.

Throughout my time here, I have been very fortunate to be supported by a great team. I appreciate your dedication and for your capacity to try new methods to continue to improve the learning outcomes for students, for the care that you have shown. This extends from the office staff to the teachers. You have all made this such a special place.

I would also like to thank the P&C and the parents, who I have been able to work with throughout my time here. You made me feel so welcomed and together all have helped to improve this school. Your feedback has been much appreciated.

Finally, thank you to Kim Marden for all your help and support over many years.

I am grateful for having worked with such a magnificent group of people in an amazing area and I will always look back fondly on my time spent here.

Sincerely
Sam Hutton

Artwork by Tyra Gray

Preliminary Assessment Task 1

These portraits incorporate five different coloured snakes with similar characteristics as in size and shape. The snakes symbolise refrain and self-determination. In each portrait the snake becomes less of a focus in terms of colour, representing a change in belief and self-worth, although it still covers the mouth.

Artwork by Stephanie Harris

Preliminary Assessment Task 1

The theme of my series of paintings is Nature vs Nurture through self-portraits from the styles of Gosia and Katherine Del Barten. These portraits explore the impact of societal stereotypes, expectations and pressure and how they influence who we are and our identity.

Dorrigo High School P&C Association

Continued support from our school families is important for our P&C and all the things we do. This is as simple as coming along to a meeting with your ideas, making a recess or lunch

purchase at the canteen or volunteering to help at canteen.

Thank you to those who were able to attend our P&C meeting this week. Mark your calendar, the next meeting will be Wednesday 15 June.

Our next P&C event will be to cater dinner and supper for the Festival of Small Halls Music Event at the Dorrigo Showground on Saturday 28 May. Spread the word, book your tickets and make a dinner and supper purchase at the same time. Dinner will be available from 5.30pm and supper during the break. Donations of baked goods would be appreciated, they may be dropped off at the Showground on Saturday afternoon.

We will need some volunteers on the Saturday afternoon as we prepare our menu - jacket potato with savoury mince and pumpkin soup with roll plus cakes and slices. Please leave a message at the office or email the P&C at dorrigohigh.pandc@gmail.com if you would like to help out or contribute.

School Phone

Students are reminded that the school phone is only available to make urgent and important calls. This does not include asking for homework to be dropped in, organising after school activities or requesting a lunch pass.

Lunch Pases

Notes requesting a lunch pass must be handed in at the office before school

Lunch passes will not be issued after 9.00am.

North Coast Creative Arts Camp

The North Coast Creative Arts Camp provides students with the opportunity to extend their skills and knowledge in creative arts. The camp offers quality extension activities that are not usually available in the classroom.

Activities are delivered by experienced staff who support students as they step outside their comfort zone and learn new skills. Activities include a concert band, string percussion and guitar groups, dance, visual arts, media arts, vocal and drama groups,. There is also an exciting range of elective activities available such as animation, dance, drama, visual arts/crafts and various instrumental groups such as Stage and Rock Bands, to enable students to explore arts areas other than their main group activity.

The camp will run from
Sunday 7 to Friday 12 August 2022.

If you would like an application to attend please see Mrs Atkins.

Applications close Friday 27 May 2022.

FACE PAINTING

Design the Cover

Dorrigo Show Society invite students to submit a design for the cover of the 2022 Show Schedule.

The theme this year is *Women in Agriculture*.

Artwork should be presented on A4 portrait paper. The competition closes at 5.00pm on Friday 31 July 2022.

Prizes include gift vouchers and showbags as well as the honour of your artwork being used for the schedule cover.

Contact Sally Duckett on 66575241 or dorrigoshowpresident@gmail.com for further information or when your artwork is ready to be submitted.
